Subject: Support H5721 avoiding fines for landlords who certify lead mitigation law compliance

Dear Committee Clerk DiMezza,

I SUPPORT H5721. Our lead law which was updated last year has failed, for obvious reasons - there simply aren't enough inspectors to process all the rentals in Rhode Island. This proposed law is a common sense update that gives space for housing providers to follow the intent of the law without punishment. Please vote yes for this important update to existing law.

Sincerely,

David Sisson
