Subject: OPPOSE 5916 extension to rental terminations

Dear Committee Clerk DiMezza,

Hi my name is Glenn Dumas I own several small rental properties in the Providence area. Please oppose Bill 5916 this bill would only help bad tenants stay in a property longer causing more financial loss for the landlord and most likely more problems for the good tenants that live in the in the house. Please oppose this Bill thank you for your consideration!

The proposed bill's extended termination notice period may have unintended negative consequences for landlords and neighboring tenants. While tenant advocates argue this aligns with rent increase notices, the two serve different purposes. Landlords rarely issue unreasonable notices to good tenants, but a longer notice period increases the risk of tenants withholding rent, leaving landlords with only one month's security to cover multiple months of lost rent and potential damages. Additionally, when a termination is necessary for the safety or well-being of other tenants, this extended process could lead to prolonged disruptions and increased property damage. It is important to remember that termination is simply an end date, not an eviction.

I urge you to VOTE NO on H5916
Thank you for your consideration.

Sincerely,

Glenn Dumas
