Dear Committee Clerk DiMezza,

As someone who is very involved with the veteran community and local Healthcare, I support service animals. But this bill is vage and WILL lead to abuse. I adamantly opposed this bill.

I oppose the proposals made to ESAs in H5920 as they are vague and could be abused. Additionally, adding "housing status" as a protected class, creates undue liability for property owners simply seeking to assess applicants through a proper background check in order to protect the well-being of neighboring tenants and protect their investment. I support H5504 as it seek to protect those who truly need Emotional support animals and deters fraud and abuse. Additionally it creates a system in line with longstanding federal standards that would provide an expectation and guidelines to both renters and landlords to follow. This seems like fair and balance legislation. Thank you for your consideration.

Sincerely,

Kendra Furman
