To House Committee on Judiciary,

My name is Jason Romblad, an unaffiliated voter from Woonsocket. I am providing my testimony today in opposition to bill H5655.

Although stalking should not be taken lightly, I believe that simply following someone while recording, in a public space, should not be considered harassment and/or stalking. The power of video is an important piece of the 1st Amendment. Please vote against this bill.

Thank You.
