Chairman Craven, and House Judiciary Committee Members,

My name is Alexander Thomas, and I am writing this testimony in opposition of HB 5436, HB 5652, HB 5654, HB 5889, and HB 5890.

These bills are clear violations of the 2nd Amendment, unfairly targeting law-abiding citizens while offering no real solutions to protect the public or prevent criminal activity. Instead of addressing the root causes of crime, they only serve to infringe on the rights of responsible gun owners.

Best Regards,

Alexander Thomas
