My name is Amy Bowers, and I am a responsible gun owner residing in Rhode Island. I am sending my testimony today to express my concerns regarding the proposed gun ban legislation.

As a responsible gun owner, I have always followed the law and ensured that my firearms are used safely and responsibly. This proposed ban would put me in violation of the law, despite my commitment to responsible gun ownership.

I urge you to consider the impact this legislation would have on law-abiding citizens like myself who value their rights and freedoms.

Thank you,
Amy Bowers
