Dear Judiciary Members, I am a Rhode Island resident, and I would like my opposition to the following bills to be recorded: H5436, H5443, H5651, H5652, H5654, H5889, H5890, and H5891.

There are better things for our General Assembly to focus on. Infringing on the rights of law-abiding Americans, for a cause that is only (really) supported by rich people who live in gated communities, isn't one of them.

Sincerely,
Brendan James Wright
