As a citizen and voter in Rhode Island I am in complete opposition to these bills the will come before the committee. They are: H5436, H5443, H5651, H5652, H5654, H5889, H5890 and H5891. These bills offer no actual benefit and serve only to restrict the rights of law-abiding citizens.

Sincerely,

Brian C. Smith
