Subject: Reject H-5436 in its entirety

Representative,

This bill prejudices law abiding citizens to be future criminals and strips our constitutional rights as a preventative measure. The truth is, real criminals don't obey laws. Creating a new one is a waste of your time.

There are those among you that make a living getting real criminals reduced sentences for violent crime. Please oppose H-5436 and invest your efforts in establishing mandatory sentences for violent crime.

Respectfully,
Don Hornbeck
