Dear Judiciary Members,

The attack on our Constitutional rights as law abiding citizens in Rhode Island is unimaginable. Embedding infringements on our rights into BUDGET bills? What a slimeball move, Mr. McKee. Public servants following his path like a bunch of lost sheep, and thinking it is the way to a safer state truly should step aside and let well educated and intelligent-minded law makers get the work done. Rhode Island has such potential....I pray the road ahead is brighter.

I am a Rhode Island resident, and I would like my opposition to the following bills to be recorded: H5436, H5443, H5651, H5652, H5654, H5889, H5890, and H5891.

Sincerely,
