To whom it may concern:.

As a law abiding gun owner and a member. for years of a local gun club whose members include.doctors, lawyers, dentist,etc. I feel that the laws that are made are not strict enough for those individuals who misuse guns, instead the focus is on all gun owners, who buy their guns legally. Criminals don't have to go through a 7 day waiting period or a background check, whatsoever.

Although I am not physically able to attend the meeting tomorrow, I appreciate you reading this email and hope that some consideration will be given to the lawful gun owners.
