Chairman Representative Robert E. Craven, RE: H-5436 Assault Weapons Ban 2025: Against Passage

Dear Chairman Craven and House Judiciary Committee

My name is Lisa Devine a law abiding Rhode Island resident and gun owner.

I oppose H-5436 because I feel it targets me and other law abiding residents instead of criminals and mental health issues that should be being addressed. I recently purchased a gun for personal protection and sport. I don't believe this far reaching legislation will do anything to prevent the tragic events that have happened that get so much publicity that it is said to be targeting. Instead it makes legal gun owners like myself feel like we've done something wrong and takes away our rights.

I urge you to vote against this over reaching legislation and protect our constitutional rights.

Sincerely
Lisa Devine
