I say a no vote, on house bill 5436 gun ban is an infringement on the law, abiding citizens of Rhode Island. The smU.S. supreme court has already ruled this type of assault on the 2 d amendment is unconstitutional, Seller, McDonald, and Bruen cases.

I insist on upholding the United States Constitution for which Rhode Island is a part of and if we do not we are heading in the direction of a tyrannical 3rd world country.

Respectfully,
