RE: Support of House Bill H5436

Dear Chairman Craven and Members of the Judiciary Committee:

I strongly support Representative Knight's assault weapons ban bill, H5436.

This bill will reduce the number of deadly, military firearms in our communities, and it will keep us all safer. As a grandmother of five school-age children, I worry constantly about a school shooting happening in our community.

Thank you for your consideration of this important legislation. Getting weapons of war off our streets is an important step towards making our communities safer and more peaceful.

Sincerely,
Nancy Fritz
