Members of the House Judiciary,

I oppose House Bills: H5436, H5443, H5651, H5652, H5654, H5889, H5890, H5891. Every spring the House passes Bills without regard of the constitutional protected right that these bills chip away at. After forty years of working as a civil servant I am retiring. My wife and I had planed to retire here in Rhode Island but if these bills pass we will be forced to move to another state that doesn't chip away our rights.
