House Judiciary Committee

Dear Members of the House Judiciary Committee:

I am writing in support of H-5436, which would regulate assault weapons. While referring to this bill as an “assault weapons ban” is clearly a misnomer, its passage would nonetheless represent a step in the right direction.

I submit this letter as a supporter and admirer of the Sisters of Mercy.

Yours sincerely,

A handwritten signature in black ink that reads "M. P. Nightingale". The signature is written in a cursive, slightly slanted style.
