I feel the need to forward this email to you regarding the pending vote to ban assault weapons. I find this by definition to be a ban on all weapons and an infringement on my right to legally own a firearm in this great nation of ours. I am a resident of Cranston where I have resided at 22 A street for the past 15 years. I am a Gulf War Veteran, RI Army National Guard and have been a lifelong resident of this State. I presently own a small business in Warwick where I have worked with the Veterans Hospital treating chronic pain. This bill is not an honest genuine bill and needs to be voted down or sent back to a committee to produce a fair solution for all parties.

Sincerely,

Sean Duffy
