I wholeheartedly oppose bills: H5436, H5443, H5651, H5652, H5654, H5889, H5890, H5891. This is a clear violation of our rights as Americans. You are doing everything within your power to limit to a crippling state the ability of law abiding citizens to exercise our 2nd Amendment rights. This disarms the good people while leaving criminals, who do not care about your laws, the ability to own weapons and terrorize us because they will now know, that we have no firearms to defend ourselves and our families.
