House Judiciary Members,

I ask that you REJECT House Bill 5654. The removal of this language from RIGL section 11-47-11 only restricts the rights of law-abiding non-residents. If non-residents have been legally and lawfully granted concealed carry from their state of residence, restricting their right to APPLY and lawfully obtain a RI concealed carry permit is simply another backdoor attempt to repeal the Second Amendment.

Respectfully,

Brian Brietzke
