**H 5890 - I oppose this bill.**

**I oppose H 5890 on the basis for the risk it presents to existing Junior Sportsmen Programs, and the lack of any means to mitigate that risk. There are no assurances as to what constitutes a “recognized camp or rifle range” nor what hurdles must be cleared to become approved by the local Chief of Police. Sportsmen will be equally enforced across the State. Many private Sportsmen’s clubs exist in the State that run Junior’s Programs. No such approval was ever required, and the State should not be creating a situation where equal protection under the law suddenly comes down to how much the Chief of Police personally likes an organization.**
