Here is my personal story of what ~~has~~
Phone calls will benefit men & women who
are incarcerated.

Well on my understand it is a small help
for everybody to stay connect with our
family members not have to worry about the
strain of money.

Being able to talk to our family is not
a privilege its a right and it helps me to
stay sane in this place.

The simple fact that I can call and
check up on my family daily is a blessing.

Thank you.

Sincerely:
