HERE IS MY PERSONAL STORY of what free
phone calls will benefit MEN & WOMEN who
ARE INCARCERATED.

I'm currently serving a 40 year sentence at the John J. Moran Medium Security Facility, here in Cranston, Rhode Island. I have 4 children and 16 grandchildren that I keep in touch with through phone calls. I would be able to stay in touch with them on a more regular basis if we were to have free phone calls instead of the self-paid calls that we currently have now. I know other states offer free phone calls to their inmate population and I would appreciate any help you can offer in this matter.
