Subject: Oppose 5295, 5296, 5661

Follow Up Flag: Follow up
Flag Status: Completed

Dear Honorable Chair Craven and members of the House Judiciary Committee:

Please oppose 5295, 5296, and 5661. None of these bills are necessary. These bills are placing an unnecessary step between a family and their medical provider and their right to privacy.

Thank you
Renu Englehart
East Greenwich
member East Greenwich Town Council
