Subject: Support for H5225

Dear Members of the House Judiciary Committee,

I am a resident of North Kingstown, RI. I am writing to you today to express my support for H5225. I support this bill because as both an educator and parent I strongly believe that ALL children have a right to safely pursue their education. Please protect our immigrant students and their families who are vital members of our school communities. A vote to protect the rights of our most vulnerable populations' access to education is a vote for public education and the vital role it plays in our democracy. Thank you for your time and consideration.

Sincerely,
Aubrey Schabowsky
