Subject: Support for HB-5724

I support House Bill No. 5724 which prohibits state and municipal officials or body from entering into and renewing any agreements that will be used to detain individuals for federal civil immigration violations. I do not want my taxes to go toward the inhumane detention of human beings. If you have an ounce of decency you will reject the idea of profiting from locking up human beings and reject the idea of allowing private companies to operate unethical businesses of detention in Rhode Island. Please support House Bill No. 5724!
