To the Judiciary Committee:

The misuse of immigration enforcement and detention is at this time extreme and dangerous. We need to protect our residents, and also our law enforcement system so that they can fight crime and promote public safety. These are not normal times, and while this concentration of Federal power persists our state needs to protect our people from wrongful imprisonment with the strongest measures possible. Please help to pass this bill into law as soon as possible.

Sincerely,

Nancy Green, RN
