To Chairman Craven and members of the House Judiciary Committee:

H5436 and H5130 Sub A won't make us safer as criminals don't pay attention to laws. These bills are attacks on law abiding citizens' 2nd Amendment rights, and a family's right to pass property on to their children.

With many towns passing resolutions against H5436 in particular, the RI citizenry is sending a message loud and clear. Please listen, and Oppose H5436 and H5130 Sub A.

Respectfully,
