Dear Chairman Craven and Members of the House Judiciary Committee,

My name is Linda Hines and I live in Narragansett. My Representative is Carol McEntee. I am a supporter of responsible gun owners who enjoy hunting and recreational shooting, having grown up in a hunting family in a rural area. However, I strongly support H 3456A which would ban military-style assault weapons in Rhode Island .

The Supreme Court has upheld the states' right to pass its own gun legislation in the matter of reasonable gun controls. Please do NOT wait one or two more years for the Court to render an opinion on assault weapons. **Rhode Island can and must pass its own laws.** Please move this bill to the House floor for a full House vote!
