Subject: Bill H5436 SubA

Dear House Membership:

I am writing in opposition to Bill H5436 Sub A. I don't understand why law-abiding citizens have to constantly be at the State House to fight for our Constitutional rights. Please use the laws that are already in effect to go after criminals. These laws are working. This bill will not prevent any crimes. Criminals don't care about laws, they will still have firearms.

Each one of you has taken an oath to uphold the Constitution of the United States and the RI Constitution, yet it seems that many of you feel that the Constitution only matters when you want it to. This Assault Weapons Ban will affect businesses, jobs, a great deal of tax revenue will end, revenue for our State Parks, DEM will end. The gun clubs in this state provide support for youth sports leagues, assistance to low income families such as food drives and clothes drives. Yet we are treated as if we're the criminals.

We are your constituents. Please work with us and for us - not against us.

Sincerely
Maureen Fontneau
