**Subject:** Gun ban

**Follow Up Flag:** Follow up  
**Flag Status:** Completed

RI should not pass the bill to ban guns in this state!!! The majority of people do not want that and it is illegal and an infringement upon our rights!!!  
Why don't you spend the time and money getting to the root cause of the small minority of people who shouldn't own a gun and stop taking away the rights of the very many responsible gun owners.

Cathy
