**Dear Honorary Legislator: As a lifelong RI resident and tax payer, I respectfully ask that you support William O'Brien's H-5668 Sub A:**  
"Prohibits the declawing of cats by any surgical procedure to amputate or modify a portion of a cat's paw in order to remove the cat's claws. Does not apply to any procedure performed for a therapeutic purpose. "

**Thank you in advance for your support.**
