Subject: Lane Filtering Bill H-7354 - For

Dear Roberta DiMezza,

I'm writing in support of the new Lane Filtering Bill H-7354.

ENTITLED, AN ACT RELATING TO MOTOR AND OTHER VEHICLES -- PASSING, USE OF LANES AND RULES OF THE ROAD

(Allows lane filtering, the act of passing stopped or slow-moving vehicles proceeding in the same direction, for motorcycles at low speeds.)

As a Rhode Island motorcyclist, you can imagine that our traffic conditions make it uncomfortable on elevated temperature days, especially on a motorcycle requiring "the wind" to keep cool. In addition, the level of distracted driving these days has been increasing. This bill will allow me to get out of the way for safety purposes and not increase the level of traffic in any given situation.

Thank you,
Christopher Morin
