All,

I testified in front of the House Judiciary last Wednesday February 11<sup>th</sup> regarding H-7353 "An Act relating to Motor and Other Vehicles - Comprehensive Community - Police Relationship Act of 2015". During my testimony I referenced UCONN Traffic Stop Data and Analysis reports from 2020 through 2022. A request was made for those reports. I have attached a press release dated May 6, 2025, that contains a hyperlink (towards the bottom) that takes you to the UCONN, Institute for Municipal and Regional Policy website. On the website you will find the referenced "Traffic Stop Data and Analysis" reports.

If you an have any additional questions and/or concerns please feel free to contact me.
