Subject: Support RI House Bill 7487

You don't often get email from barbmcardle10@gmail.com. [Learn why this is important](#)

Please support this bill. Dogs deserve to be treated with kindness and respect. In light of the lenient treatment of Caitlyn Pelton it is the perfect time to say "No More"! A slap on the wrist won't do anything to prevent this act of cruelty but perhaps stricter laws and harsher penalties would.
