Hello.

House Bill # 7487

Please Please....I respectfully ask that you vote in favor of this much needed legislation.

There is no place in this world for allowing animal cruelty and abuse.

The dollars amounts in the bill and the imprisonment term is not nearly enough for anyone who is evil and hurts animals, but it is definitely a great start!!

And city and town animal control officers should most definitely be authorized to enforce provisions of this law.

PLEASE....vote in favor!! We must all be the voices for the innocent and defenseless animals.

Thank you
