

RE: HB 7488 Abuse in Healthcare facilities

To: Chairwoman McEntee and members of the House Judiciary Committee,

I am Daniel Liparini and I am writing in support of the captioned bill.

This bill removes the “intent requirement” relative to the definitions of abuse within the chapter on “abuse in healthcare facilities”, making it consistent with the definition of abuse in situations outside of healthcare facilities. There is no good reason for this difference.

Please support this important change.

Thank you.
