Dear Honorable Members of the House Judiciary Committee

I am writing in support of HR 7077 – House Resolution Condemning Unconstitutional Tactics by US Immigration and Customs Enforcement in the State of Rhode Island and Beyond. I am horrified by the vicious and deadly attacks on the Immigrant population in cities and towns around the US and against caring neighbors exercising their First Amendment Rights. ICE agents are breaking the law - violating the 1st, 4<sup>th</sup> and 14<sup>th</sup> amendments - and they are purposefully - without accountability - terrorizing, injuring and killing innocent people. They are breaking into houses without the required federal warrant and abducting occupants, denying due process, smashing car windows and teargassing people including infants and violently attacking peaceful protestors. We are well on the way to becoming a fascist state through tried and true tactics. These violations of our Constitutional Rights puts us all in danger. Therefore, I urge you to support HR 7077.

Thank you!

Sincerely yours,

Nancy Hood
