Dear House Judiciary Committee,

I am writing to voice OPPOSITION to HR7434, which would prohibit ICE employees, officials , or agents from being 200 feet from any polling place during voting. Are you going to keep police, FBI agents, and bounty hunters 200 feet from polling places too? If you're serious about providing secure and fair elections, then you should be supporting actions that would ensure only registered voters that are legal U.S. citizens are voting. This bill is a waste of time and frankly, shouldn't even be considered. Any legal voter knows that their vote is welcome. If illegals have the audacity to show up at the polls, they deserve to be investigated.

Sincerely,

Donna Cambio
