

House Committee on Judiciary
State of Rhode Island General Assembly

March 4, 2026
Testimony in support of House Bill 7434

Dear Members of the House Committee on Judiciary,

I'm surprised that this isn't already a law, though I suppose that it was not seen as needed. It's clear now that we need this to be law and for the law to be enforced.

We cannot let the Federal Government interfere with the State of Rhode Island's conducting of elections.

Please support House Bill 7434.

Sincerely,

Helen G. Grundman
District 1
Providence, RI
