Good afternoon,

My name is Cheyanne Arroyo, and I am a voter in Rhode Island. I am writing to express my strong support for HB7436.

Through my work with many immigrant students, I have witnessed firsthand how the presence of ICE in RI has had a devastating impact on our community. Many students have stopped attending classes, and we have been unable to maintain contact with them. This disruption not only affects their education but also harms the broader community.

These students are an integral part of our schools, workplaces, and local economy. Without them, it is difficult to imagine how many of our establishments, educational institutions, and the RI workforce will continue to function effectively.

I respectfully urge you to pass HB7436.

Kind regards,
Cheyanne Arroyo
