Subject: Support of H7436

You don't often get email from revscottspencer@gmail.com. [Learn why this is important](#)

As a person of faith I strongly endorse H7436 to cancel all ICE contracts in RI detention centers. These contracts establish inhumane and degrading situations for those held and many reports have shown that adequate food and nutrition, timely availability of medications, and other unnecessary hardships have been present.

Thank you for your consideration.
