You don't often get email from sonja_kapadia@brown.edu. [Learn why this is important](#)

To whom it may concern,

This email indicates my support for HB-7436. I am horrified by the abuse and hate propagated by ICE campaigns. As a future physician, my calling is to heal - a direct contradiction to the violence exhibited on a daily basis in centers like Wyatt.

Wyatt systematically disenfranchises the city of Central Falls by not paying taxes and immigrant families trying to communicate with loved ones.

No city should rely on prisons and detention centers as a form of economic development nor punishment for immigrants by ICE activity.

I hope you will take our voices of support into account in the hearing today.

Sincerely,
Sonja Kapadia
