Testimony in support of H8140: Limitations on Immigration Enforcement Cooperation

George Cameron Nixon, 70 Bradford St., Warren, RI 02885

Date of Hearing: March 4, 2026

To Chair McEntee and the honorable Members of the House Judiciary Committee:

I support this bill because Rhode Island should not support ICE especially as it prevents state and local police from joining federal immigration enforcement programs! We must not allow lawless thugs to arrest Rhode Islanders and send them to concentration camps--if we are speaking plainly--without due process.

Please bring the bill to a vote in 2026.

Thank you very much for considering my input, and thank you to Representative Furtado for introducing this important bill.

Best wishes,

George Cameron Nixon
