Dear Committee Clerk DiMezza,

Dear Representative Rebecca Kislak and Committee Clerk Roberta DiMezza,

I object to House Bill 7130, which mandates that tenants can pay security deposit increases in twelve monthly installments.

This legislation imposes an unnecessary administrative burden on housing providers because rent increases are often relatively minimal, so the requirement to track fractional payments over a year is excessive.

Moreover, the proposed Bill leaves landlords with less than a full month's security deposit for the majority of the year, so if a tenant vacates within the year, the landlord will be left with less than a full security deposit to cover potential damages.

I believe that landlords and tenants should retain the flexibility to negotiate security deposit payment arrangements without state intervention.

Therefore, I urge you to recognize the overreach of this legislation and vote against its advancement.

Sincerely,

Lisa Kretsch
