Subject: Support H7560 Lead Paint Law

Follow Up Flag: Follow up
Flag Status: Completed

Dear Committee Clerk DiMezza,

Please pass H7560 to improve the current lead paint laws which are too broad.

The lead law should be focused on at risk occupants rather than all properties.

Tenants should notify their landlord to make repairs before they try to do the repairs themselves.

Monitoring and enforcement of the lead hazard mitigation law should be done by the Department of Health.

Thank you for the opportunity to comment.

Sincerely,
