Dear Committee Clerk DiMezza,

so why dont you take over the property instead of passing these ridiculous restrictions and you can lose the taxes we have to pay

I strongly oppose H8109, just cause eviction laws and rent control. This bill removes property owners' ability to serve nonrenewal notices, grants indefinite leases, and imposes a 4% rent increase cap. While aiming to protect residents, these measures hinder property management and investment, jeopardizing housing stability. Instead, we urge considering alternative solutions to safeguard residents without burdening property owners and potentially subjecting neighboring tenants and communities to incurable nuisances or unsafe situations. Thank you for your attention.

Sincerely,

joseph furtado
