Good afternoon:

I am writing today to express my support for Bill H8106 with respect to restrictive covenants for grocery stores. I support this bill, which I believe takes a novel and innovative approach to combatting the concerning and undue influence that big corporations have in our small state. These companies should not be able to use contract and property law to restrict trade and support their own agendas at the cost of tax-payer choice.

I live in Ward 1 in Providence, and want to make sure my support is noted.

Thank you,

Attorney Ava McCartin
