Dear Members of the House Judiciary Committee,

I am writing to urge you to oppose House Bill H7035, which would limit Rhode Island residents to purchasing only one firearm per 30-day period.

This bill treats lawful gun ownership as a privilege to be rationed by the government. There is no evidence that limiting how many firearms a person can legally purchase in a month reduces crime. Criminals do not follow purchasing limits. This law would only burden law-abiding gun owners.

I urge you to vote against H7035.

I urge you to vote against H7035 and start to recognize you are only burdening law abiding citizens and will have literally no effect on curbing criminal activity.

Dear Members of the House Judiciary Committee,

I am writing to urge you to oppose House Bill H7035, which would limit Rhode Island residents to purchasing only one firearm per 30-day period.

This bill treats lawful gun ownership as a privilege to be rationed by the government. There is no evidence that limiting how many firearms a person can legally purchase in a month reduces crime. Criminals do not follow purchasing limits. This law would only burden law-abiding gun owners.

I urge you to vote against H7035.
