Dear Members of the House Judiciary Committee,

I am writing to urge you to oppose House Bill H7035, which would limit Rhode Island residents to purchasing only one firearm per 30-day period.

This bill treats lawful gun ownership as a privilege to be rationed by the government. There is no evidence that limiting how many firearms a person can legally purchase in a month reduces crime. Criminals do not follow purchasing limits. This law would only burden law-abiding gun owners.

I urge you to vote against H7035.

Respectfully,

Respectfully,

Robert Trivisono
