To Chair McEntee and Members of the House Judiciary Committee:

It is long past time for RI's law-abiding citizens to have a well-defined method of appealing the rejection of a CCW application. Please support H-7553 so there can be an orderly process of appealing.

It is also long overdue to allow people on college campuses to exercise their right to protect themselves. H-8070 is merely a start. Please support it.

Sincerely,

Letitia Davis
